

Sheera Badial

Vice-President, Operations

Capital Markets Canaccord Genuity Corp.

Sheera is directly responsible for leading the day-to-day operations of Canaccord Genuity's Domestic & International Settlements, Trade Reconciliations, Derivatives, Securities Lending, FX and Banking Operations teams.

Sheera started her career with 10 years at the Vancouver Stock Exchange, initially as a Settlements and Clearing Analyst, then diversifying into Securities Lending. In 1997, Sheera joined Canadian Depository for Securities (CDS) where she worked her way to become a Senior Account Manager for CDS's domestic and international participants, before moving to its Re-Development team as a subject matter expert (SME) through CDS's system re-write project.

Sheera joined Canaccord in 2003, and has become a well-respected SME both within Canaccord Genuity and the industry, participating in a number of Canaccord's Canadian and international strategic initiatives. Sheera has had roles on numerous CDS, Canadian Capital Markets Association (CCMA), and other industry committees and has been key in industry initiatives such as CDS Trade Matching, the implementation of National Instrument (NI) 24-101, transition to T+2, and, most recently, the TMX's Post-Trade Modernization Project. She now co-chairs the CCMA's T+1 Operations Working Group.
